

St. Anthony CYO Coaches

In order for us to measure the success of our program this year, we are asking coaches and parents for feedback regarding the season.

The responses from this will help us determine how well our program parallels the guidelines and philosophies set by CYO.

With your input as a coach, we can evaluate the program from a different perspective and use this to improve the program for next year.

Was the St. Anthony's coaches meeting informative, organized and beneficial? Please list any suggestions for next year's meeting?

What other information would you like discussed at the St. Anthony's coaches meeting?

Were game revisions, location changes, and other administrative details handled promptly by the sport's Coordinator? Please list suggestions for the future.

Was the equipment supplied by CYO sufficient for your needs? If not, please list other items that could help you be a better coach.

Do you feel uniforms and equipment were distributed and collected in an organized manner? Please list suggestions for the future.

What would you consider an optimum weekly practice schedule?

_____ Hours _____ times per week _____ grade level you coach

Is there anything the CYO Coordinator could have done to help you more this season (please specify girls or boys).

Is there anything the CYO commission could have done to help you more this season?

Were you pleased with the organization of team photo session? Please list any suggestions.

Did you receive any complaints about the quality of the pictures or this year's photographer?

Please add any additional comments/suggestions you may have.
